

As faculty who teach in departments and disciplines across SVA, we encourage our colleagues to join us in voting **UNION YES** starting April 15th!

SVA IS A SPECIAL PLACE, AND WE'RE PROUD TO TEACH HERE. As leading professionals in our respective disciplines, we dedicate ourselves to the school's core mission of nurturing the next generation of creative visionaries. Because we care deeply about that mission and our ability to enhance the learning environment of our students, we also understand the value of faculty having a voice in the workplace.

WITHOUT A UNION, MANAGEMENT CAN CHANGE OUR WORKING CONDITIONS unilaterally, as they have done by denying sabbatical requests; we can work excessive unpaid hours; and we have little power to establish more competitive compensation, or more affordable healthcare for those who need it. With a union and collective bargaining, we can negotiate for improvements in these and other areas that would make our lives better and would enable us to focus more on providing quality teaching to our students.

IN THESE CHALLENGING AND UNPREDICTABLE TIMES FOR HIGHER EDUCATION and the arts, it's more important than ever we have an organized voice. By uniting with thousands of unionized faculty and cultural workers in New York City and nationwide, we can help create a more sustainable future for SVA and beyond.

WE ARE SVA, and we are excited to vote **YES !**
